## Holland Made Goods Featured With The Tulips

FORMER MAYOR STEPHAN  
LINES UP HOLLAND  
MANUFACTURERS

Two Score of Enterprises Will Ex-  
hibit Their Wares During  
Tulip Festival.

The show places during the Tulip  
Festival is growing year by  
year.

We started out with a flower  
show in a modest way and with  
800,000 tulips. Today we have 3-  
000,000 blooms to nod their dainty  
heads in the May breezes. Augment-  
ing this first feature, namely  
the flower show in the armory,  
there are now the Dutch gardens  
and other features in the Literary  
club.

Last year for the first time the  
Masonic temple was turned into a  
wild life exhibit, fitting in most  
appropriately with the tulip fea-  
ture. This exhibit is backed by the  
biology department of Holland  
High school and the state depart-  
ment of conservation.

This year a stupendous addition  
as a show place has been added  
and Holland is to have a "Made in  
Holland" exhibition in which at  
least forty local manufacturers  
will show the products of their  
enterprises made by Holland arti-  
sans, "and believe us," you are go-  
ing to be surprised for unless folks  
have visited local shops or Grand  
Rapids furniture exhibition halls  
they absolutely have no concep-  
tion of the beautiful things—in  
fact works of art that are turned  
out in our local shops and factories.

Your editor had the privilege re-  
cently of doing just that thing and  
received the most agreeable sur-  
prise in his life.

Anyway, for the last two years  
there has been considerable talk  
to establish an exhibition building  
every summer with purely Holland  
manufactured goods. A downtown  
store was considered first avail-  
able, but the project was expound-  
ed too late in the summer and tem-  
porarily nothing came of it.

Some weeks ago, long before Tulip  
Festival, the agitation became  
rife again and the proposal, sug-  
gested two years ago by Dr. E. D.  
Dimmett "brought fruit," possibly  
not along the same planning but  
a little more pretentiously since  
the available building, just suited  
for an exhibition of this kind, made  
this possible.

The large furniture exhibition  
building at the southeast corner of  
River avenue and Fourth street,  
a building 70x117 feet, two floors,  
with over 16,000 square feet of  
floor space has been secured. This  
building was made to order it  
would seem for just such an ex-  
hibition. It is most ideal and the  
Peoples State bank should be given  
credit for donating the use of  
the building for an enterprise of  
this kind during Tulip Week.

Soon the decoration of the ex-  
terior and the interior will begin  
and north River avenue will have  
two outstanding attractions—this  
extensive exhibit and the Dutch  
windmill in a background of 300-  
000 tulips.

Somebody has been responsible  
for putting over a project of this  
kind and the big thing was to sell  
the idea to the manufacturers of  
Holland and no better man could  
have been selected than former  
Mayor E. P. Stephan, who has al-  
ways done everything he has un-  
dertaken thoroughly and well. For  
the past month Mr. Stephan, with  
well drawn floor plans of the build-  
ing in question, called on the heads  
of the different enterprises in the  
city and practically everyone ap-  
proached was enthusiastic and  
readily selected both spaces for  
the respective exhibits they are  
planning.

Everything has been done under  
the supervision of the Holland  
Chamber of Commerce, a telephone  
has been installed and Sea Scouts  
under the direction of Skipper  
Hendrik Noble will be guides dur-  
ing Tulip Week. Of course, the  
Scouts will all be properly uni-  
formed adding to the colorful dis-

### MAYOR'S MESSAGE

To the Citizens of Holland:

Our Tulip Festival is just in the  
offing and our experience in the  
past has been that this unique and  
wholesome celebration where flow-  
ers are dominant, brings thousands  
upon thousands of visitors from  
abroad to this city.

Holland has always been associ-  
ated with cleanliness and we come  
honestly by this "sobriquet."

Our first thought when Tulip  
Time was proposed was to scrub  
the streets, indicative of cleanli-  
ness.

As a forerunner of the festival  
that is to be set aside all of next  
week as "clean-up week," not in  
the front yard alone but the entire  
premises.

Holland folks need no urging  
along these lines. They take it as  
a matter of course and many are  
already busy. But let me urge  
you all to clean up and tidy up not  
alone in the residential but in the  
business district as well. Let the  
visitors see that we are still the  
"city of tidy homes," as we have  
been pictured since Holland was  
founded.

Will you kindly co-operate with  
me?

NICODEMUS BOSCH,  
Mayor.

This is to be most of all an edu-  
cational exhibit of unusual merit.  
Those institutions having exhibits  
there will have representatives  
present to explain about these ex-  
hibits and how they were created  
and what enters into the manu-  
facturing of them.

Yes, it is a real worthwhile un-  
dertaking and Holland is going  
to be proud of it.

Mr. Stephan's untiring efforts  
are conclusively evident consid-  
ering this list of exhibitors who will  
show at the exhibition building dur-  
ing the Tulip Festival:

West Michigan Furniture Co.,  
Holland Furniture Co., Lambert  
Furniture Co., Baker Furniture  
Co., Bay View Furniture Co.,  
Charles R. Sligh Co., Charles Kaur  
Co., DeFree Co., Dutch Novelty  
Shops, Donnelly-Kelley Glass Co.,  
Duffy Mfg. Co., Western Machine  
Tool Works, Holland Awning Co.,  
Holland Bedding and Upholstery  
Co., Holland Ladder Mfg. Co.,  
Bohlius Mfg. Co., Scott-Lugers  
Lumber Co., Holland Lumber Co.,  
Holland Furnace Co., Home Fur-  
nace Co., Royal Casket Co., H. J.  
Heinz Co., Hart & Cooley Co., Riggi  
Candy Co., Holland Shoe Co., Dutch  
Tea Rusk Co., Holland Cleaners,  
Holland Aniline Dye Works, Na-  
tional Biscuit Co., Dutch Maid  
Candy Co., Federal Baking Co.,  
Lake Shore Sugar Co., Holland  
Baking Co., J. K. Mosser Leather  
Corporation, French Pastry Shop  
and Hope college.

With this array of enthusiastic  
manufacturers you are going to see  
some big fair and a great many  
things you have never dreamed of.  
Come on, Holland, get back of  
this big Tulip Festival and when  
you write to your friends abroad  
do not fail to mention this added  
attraction, or better yet, clip this  
article from the News and send it  
to some old friends abroad. Such  
innovations such as Holland  
through its Chamber of Commerce  
is undertaking is the best "gloom  
chaser" available at this time. It  
will stimulate pride in our city and  
we will begin to believe in our-  
selves again.

The Rainbow Girls will sponsor  
a dance at the Masonic temple this  
Friday evening at 9 o'clock.

## Clinics Meet At All Holland Public Schools

DENOMINATIONAL SCHOOLS  
ALSO COME UNDER CLINIC  
SUPERVISION

The first of May is nationally  
known as Child's Health Week and  
City Nurse Miss Alma Koertge  
states that Holland will observe  
this week not only thoroughly but  
with a pretentious program.

The civic health committee of  
the Woman's Literary club has  
sponsored a preschool clinic for a  
number of years as their contribu-  
tion to the group of children in our  
own city. It is a noble undertak-  
ing and those who have been so  
considerate to keep in mind the  
youth of this community deserve  
a full meed of credit.

These clinics will be held at the  
various school buildings during  
next week. Tuesday Washington  
school children and St. Francis  
school children will be examined  
in Washington building at 9:15.  
Froebel and Lincoln children will  
be examined in Lincoln building  
Tuesday at 9:15. Christian and  
Longfellow schools will be Friday  
at 9:15 and Van Raalte, Thursday,  
at 9:15.

Notices of these clinics will be  
sent through the school as far as  
possible and parents of all chil-  
dren who are to enter kindergar-  
ten in September are urged to  
bring them to the clinics and re-  
ceive the benefit of a good physi-  
cal examination by one of our lo-  
cal doctors.

### CHAPEL CHOIR TONIGHT FRIDAY

A very fine program will be  
presented at the Memorial chapel  
Friday evening at 8:15 o'clock  
when Mr. Joseph Brinkman, in-  
structor in piano at the University  
of Michigan, will appear in con-  
cert with the chapel choir, aug-  
mented by the Girls' and Mens'  
Glee clubs. The combined chorus  
will repeat the two numbers which  
they presented at the Grand  
Rapids. Symphony orchestra in  
Grand Rapids a few weeks ago, but  
will be accompanied at this con-  
cert by Mr. Brinkman, pianist, and  
Mrs. W. Curtis Snow, organist.

The Girls' Glee club will also pre-  
sent a group of Madrigals during  
the course of the program.

In addition to these numbers Mr.  
Joseph Brinkman, the guest pian-  
ist, will play two piano groups in  
his masterful way. He will open  
with Godowsky's arrangement of  
Loell's rhythmic "Gigue." Mr.  
Brinkman will contrast with a  
"Nocturne" of Respighi as the sec-  
ond number. Following this he will  
play the lovely "Intermezzo" Op.  
119 No. 3 of Brahms. The climax  
of this group will be Chopin's "C  
sharp Minor Scherzo." The other  
group will consist of the "Pathe-  
tic" Sonata of Beethoven, which  
is a great favorite of music lovers.

This sonata was written shortly  
before deafness came upon Bee-  
thoven, and seems to depict his re-  
action to this dreaded menace.

The college will be host Friday  
to about 400 junior and senior  
high school students, and junior  
college students from Grand Rap-  
ids. The program will include a  
tour of the campus in the after-  
noon, dinner at the Masonic tem-  
ple, with speeches given by rep-  
resentatives of the different depart-  
ments of the college, and the con-  
cert in the evening.

### MOTION PICTURES SHOWN TO EXCHANGEITES

Prof. Joe Maddy, teacher at the  
University of Michigan and the or-  
ganizer and conductor of the Na-  
tional Music camp at Interlochen,  
Michigan, was the principal speak-  
er at the Wednesday noon lunch-  
con at the Exchange club.

Prof. Maddy, who was intro-  
duced by Eugene Heeter, director  
of music at the local high school,  
used motion pictures to show his  
work at the camp.

Exchangeite Dick Boter gave a  
five-minute talk on his work.

### OUR MAYOR QUITE A LADIES' MAN

You see this group of beautiful  
girls. Well, they are all Holland  
"buds." And you also see Mayor  
"Nick" guarding them earnestly.  
These Dutch beauties went to St.  
Joe a few weeks ago with several  
others of Holland's population.  
Mayor Bosch among them. They  
helped the "Twin City" to celebrate  
their one hundredth anniversary  
and incidentally to give our Tulip

Festival some fine publicity, and  
they surely put it over. They  
were the star attraction at St. Jo-  
seph despite many other features  
arranged for by the townsfolk.

Judging from the picture the  
mayor is complimenting the young  
ladies on their appearance and they  
are thanking him with smiles—  
"Don't you think so?"

## News Items Taken From the Files of Holland City News Fifty, Twenty-five and Fifteen Years Ago Today

### FIFTY YEARS AGO TODAY

The News reporter with horse  
and buggy traversed the deep sand  
to Macatawa Park and within a  
quarter of a mile of his destina-  
tion saw being erected on a nar-  
row point out into the bay a fine  
hotel located in a clump of pine  
and beech. On inquiry we find that

Wm. J. Scott, on the center of that  
point of land, was building a  
structure 32 feet wide and 64 feet  
long and two and a half stories  
high, the work being done by con-  
tractor James Huntley of Holland.  
An annex 20 by 20 feet is also be-  
ing built. The second floor will  
consist of 32 bed rooms. On the  
west and north long spacious ver-  
andas are being built in order that  
resorters who stay there can get  
full views of the bay and the har-  
bor's mouth to Lake Michigan.

On the ground floor will be an office,  
billiard hall, dining room and  
kitchen and rooms for the Scott  
family. The hotel faces the best  
fishing grounds on Black Lake and  
a long board walk and a dock are  
already being built. Note: There  
is considerable more to the article  
relating to details, however, reader  
will know by this time that the  
spot is Jensen Electric Park. The  
Scotts owned the entire park at  
one time and Charles A. Floyd,  
when the Holland Interurban rail-  
road was still in existence, secured  
a 99 year lease on the property and  
built this park. It is absolutely the  
coolest spot on the entire bay. A  
breeze from Lake Michigan sweeps  
between the hills at Macatawa and  
blows across that point often  
bringing a chill on the hottest  
days. When the Scotts started  
building the place was called  
"Shady Side" because the trees  
simply cover the whole point with  
the hotel nestled under the foliage.

It was a great place for dancing  
in the early days. A few years  
later Luman Jensen, one of the  
well-known pioneers and bachelors  
from Jensen, near Grand Rapids,  
entered the picture and leased the  
hotel. He had gotten everything  
in ship-shape to open the season  
when on a beautiful quiet Satur-  
day morning fire broke out in the  
dry wooden structure and within  
two hours hotel, fine trees and all  
were a mass of smoking embers.  
Your editor was one of the spec-  
tators and remembers at least one  
thing about the fire. Smoke went  
up straight in the air at least a  
thousand feet before deflection took  
place and there were many re-  
marks about the quietness of that  
beautiful morning. W. J. Scott  
was the father of Dr. Preston  
Scott, who came to an untimely  
and unusual death about 2 years  
ago. Found in his running auto  
while in the garage at Jensen  
Park where he had lived a greater  
part of his life. Jensen Park,  
during street car days, was possi-  
bly the most popular park in  
Western Michigan, having all the  
picnic facilities to make it con-  
venient, with such recreation fea-  
tures as pleasure old and young  
alike. The "roller coaster" stood  
for years until it became danger-  
ous and the merry-go-round too  
is still going, or it did two years  
ago. Just across from Jensen was  
the Olympia Pavilion, the first  
cabaret in Western Michigan,  
owned by the late Peter McCarthy,  
who called his place Bird Carthy,  
and he was the self-appointed  
mayor of it all. His partner was  
"Bill" Moran, one time alderman of  
Chicago. Through him your editor  
was on an occasion introduced to  
the noted "Henky Dink" (Kanna)  
and Bathhouse John (Cochlin) still  
alderman of Chicago's First.

The Olympia Pavilion was the first  
place of that kind to put on a  
"floor show" now so popular. Here  
you could get a variety ice cream  
for the ladies; beer for the men.  
Most generally during Ven-  
etian Evenings when the entire lake  
side was lighted up—the carnival  
crowd gathered at Pete's. Then dur-  
ing a severe storm one night the  
big structure of music and song  
went up in smoke and but for the  
Holland fire department, Jensen  
Electric Park, only a few feet  
away, would also have burned. As  
it was the McCarthy home to the  
east was consumed as were sev-  
eral concession stands and the drug  
store.

### TWENTY-FIVE YEARS AGO TODAY

Hitching Ordinance—Chief of  
Police, Fred Kamferbeck, states  
that he will rigidly enforce the or-  
dinance regulating the hitching of  
horses to posts or blocks—Section  
3 reads: No person shall leave any  
horse or horses, whether attached  
to a vehicle or not, to stand in any  
public street, lane, alley or public  
space in the city without being  
securely tied or hitched, guarded  
or held. Violation—\$25.00 or 30  
days in jail. Notice: It would ap-  
pear that Peter Lievensen and his  
staff of "cops" are derelict in their  
duty of not watching the hitching  
of horses more closely these days.

They are wasting their time play-  
ing "tick tick too" on some inor-  
dinate contraptions in imaginary stalls  
which even the tickling with a  
large stick of chalk won't frighten  
it away. "Chief hold your horses."  
O'Connor you are the best "tick  
tick too"er—I'm it \$1.00 please.

Many of the elite of Holland at-  
tended Prof. J. B. Nykerk's lecture  
on Oxford University, England.  
Mr. Nykerk had 60 slides made and  
these were thrown on a screen as  
the professor gave his interesting  
discourse. Many members of the  
Literary Club and their escorts,  
and teachers of the public schools  
were present. Note—The item  
does not announce that Dr. Nykerk,  
now dean of Hope—just before  
that lecture—studied for a year  
at Oxford.

John Driy, Raymond Visscher,  
Arnold Mulder, Sears McLean,  
George Van Duren, John Slagh,  
Ernest Kremers, the Misses Maude  
Kleyn and Katherine Post, students  
of U. of M., returned to Ann Arbor  
after a two weeks' vacation.

Invitations are out to the wed-  
ding of Miss Jennie Lappenga and  
Gilbert Van de Water, both of  
Holland, and the marriage will  
take place this Thursday night at  
the home of the groom's parents,  
Mr. and Mrs. H. Van de Water, 289  
Lincoln Ave. The happy young  
couple will be at home at 255 Col-  
lege Ave., after May 10. Note—  
Congratulations Mr. and Mrs. "Gil"  
on your silver wedding—please  
pass the cake—Coroner.

Mrs. John Brower, West 14th St.,  
a 12 pound girl.

A foot of snow fell at Macatawa  
but strange to say not a flake in  
Holland except on the tops of In-  
terurban cars passing thru. Lake  
Michigan has a white collar as it  
were one of those Michigan  
weather freaks.

An explosion wrecked a machine  
for grinding grain at the Beach  
Milling Co. doing \$1,500 in dam-  
age—by flying iron—no one was  
hurt.

While at work at the Phoenix  
cheese factory, Zeeland, John  
Timmer, a mason, fell from a  
scaffold to the ground, a distance  
of 25 feet, fracturing five ribs as  
a result.

Marine Bishop, at Camp Mills,  
N. J., died suddenly from pneu-  
monia resulting in his death 10  
days after he arrived from France,  
where he had served 8 months be-  
fore the armistice was signed. He  
was a member of the firm of  
Bishop and Raffenaud in the bi-

he was 28 years old and his mother  
lives in North Holland.

## Fishermen Along River Bank Object To Netting

NETS HAVE BEEN LIFTED  
IN BLACK RIVER. "ALL  
QUIET ON THE POTOMAC"

Under the supervision of the  
Holland Fish and Game club nets  
were placed in Black river and  
tributaries to net noxious fish and  
to save the game fish and to make  
some money for our game pre-  
serves so thousands of other fish  
could be planted in our local  
streams.

It seems that this netting in  
Black river created much opposi-  
tion from those living near there  
and a petition was circulated con-  
taining several hundred names, be-  
tween 600 and 700 it is said, and  
this petition was presented to the  
conservation department asking  
that the nets be lifted. As soon as  
the officials of the local game de-  
partment heard of the protest they  
ordered the nets removed although  
one of the directors stated that the  
opposition was largely because  
fishermen thought the net would  
prevent suckers from going up-  
stream and this is "sucker season."

The net meshes, however, are so  
large that it will not hold small  
fish or suckers, the meshes being  
six inches square which would en-  
tangle carp and other noxious fish.  
When the nets were lifted there  
was not a sucker to be found and  
only two "muskie" and four large  
catfish, which were carefully han-  
dled and set free on the upstream  
side of the net, an officer of the  
club stated.

The Holland Fish and Game club  
has always shown a spirit of co-  
operation and while this is going  
to be a financial loss for the local  
club, who replenish streams with  
new fish, they have not depleted  
them, the officers felt that a with-  
drawal at this time was the best  
thing to do until those opposed  
were fully acquainted and educa-  
ted up to the reasons for this net-  
ting at this time.

The News feels sorry that this  
matter was taken up beyond the  
city. It seems that a quiet across-  
the-table talk with the officials of  
the Holland Fish and Game club  
with the grievances brought out  
by the fishermen would have set-  
tled the matter amicably. Our game club  
is composed of most reasonable men  
who give their time and money  
free and that for one reason only  
—to plant millions of fish so fish-  
ing will be good for everyone. They  
have even been liberal to their  
neighbors giving Allegan, Saugatuck,  
Grand Haven and Muskegon a  
share, but Black lake and its  
tributaries have surely not been  
forgotten during the last ten years  
and good fishing can be attrib-  
uted to this local organization. Let  
us hope the problem is solved with  
all fishermen working for one com-  
mon end—namely good fishing for  
all.

## Mission Union To Meet Next Thursday, May 3

MEETINGS TO BE HELD AT  
FOURTEENTH - STREET  
CHRISTIAN REFORMED  
CHURCH

The Ladies' Missionary Union  
of the Christian Reformed church-  
es of Holland, Zeeland and vicinity  
will hold their annual spring  
meeting on Thursday, May 3, as  
was formerly announced, the meet-  
ings to be held in the Fourteenth  
Street Christian Reformed church  
both afternoon and evening.

A great deal of interest is al-  
ways shown in these union meet-  
ings by the women of Holland and  
vicinity and this year is no excep-  
tion, as hundreds of women have  
already signified their intention of  
attending.

The program prepared for next  
Thursday's meet includes as speak-  
ers the Rev. and Mrs. J. Bolt of  
New Mexico, who will tell of their  
work among the Indians of the  
southwest; the Rev. De Koeme,  
missionary to China, who will be  
one of the speakers on the eve-  
ning's program; Miss D. Ploeg of  
China; Mrs. Pontier of Portu-  
guese Africa; and Dr. Henry Beets,  
secretary of the Christian Re-  
formed mission board. Several  
musical numbers have also been  
arranged for.

The meeting, which will be in  
charge of the president, Mrs. Rob-  
ert Poole of Zeeland, will also con-  
tinue during the supper hour when  
the ladies desiring to stay will be  
served with coffee. Those staying  
are requested to bring their own  
lunch as at former meetings.

The afternoon session will begin  
at 2 o'clock, while the evening ses-  
sion will begin at 7:30 p. m. All  
interested in the cause of this  
greatest of all work, namely mis-  
sionary work, should show their  
interest by their presence. The  
speakers listed promise a program  
of interest.

### SIGN FALLS

The large electric sign in front  
of the Spaulding Shoe Store came  
down with a crash late this after-  
noon. No one was hurt. Sign men  
were busy replacing the sign a  
few minutes afterwards.

Rev. Winfield Burggraaf, who  
recently resigned as instructor at  
Western Theological seminary, has  
completed plans for a few months'  
study trip to Europe for the pur-  
pose of an intensive study of Bar-  
thianism, which he describes as the  
latest theological movement on the  
continent. Rev. Burggraaf plans  
to sail from Montreal in about a  
week.

Word was received here of the  
tragic death of Mrs. Edward N.  
Hooker, wife of Prof. Hooker, for-  
mer instructor in the department  
of English at Hope college. Mrs.  
Hooker died as the result of in-  
juries suffered in a fall when she  
tripped as she mounted the stairs  
to her fourth-floor apartment. At  
present Prof. Hooker is a research  
student in Johns-Hopkins univer-

## Tripping Thru The Tulips

Park Commissioner John Van  
Bragt is having the wire fences  
taken down in Centennial Park, put  
there to prevent "Dutch cuts" in  
the winter time. Holland's parks  
will soon be blooming like a tulip.

J. Thompson, president of the  
Michigan Tourist & Resort Associ-  
ation, recently stated in a speech  
that the mayor of Holland and the  
secretary of the Chamber of Com-  
merce were at "logger heads" be-  
cause "Nick" wanted "Dutch" tu-  
lips and Bill insisted on the Irish  
kind. We never heard how that did  
come out and Burbank is dead or  
he could mix them them half and  
half, so neither could kick. Had  
better leave them Turkish, where  
the tulip originated. Bill, have a  
bunch of "Sweet Williams" and be  
good.

Keepers of tourist homes and  
lodging places should file their  
names and rates with the Cham-  
ber of Commerce, it was announced  
today. The Chamber is receiving  
numerous inquiries from people  
who have indicated they will stay  
at private homes during Tulip  
Time.

Persons who take part in the  
opening day parade of Tulip Time  
must be dressed in authentic  
Dutch costumes or copies of the  
same, is the edict of Mrs. John E.  
Telling, festival committee chair-  
man.

During its annual Tulip Time  
festival, Holland becomes a bit of  
The Netherlands transplanted  
across the Atlantic. Dutch costumed  
residents clatter along the  
streets in wooden shoes; dog carts  
dart about with big cans of milk  
in stimulation of the old-country  
method of delivery; the old men  
smoke long, crooked pipes, and  
in all, it's very realistic.—

Flower shows will be conducted  
at the Women's Literary building  
and the armory, and the state con-  
servation department will have an  
exhibit in the Masonic temple. A  
new feature will be an industrial  
show in the Furniture Exhibition  
building.

Chamber of Commerce on or be-  
fore May 10.  
2—No artificial tulips shall be  
used in decorations.  
3—Merchandise sold by the

play.  
4—No cards bearing names of  
outside persons who loan articles

be allowed.  
5—If price tags are used they  
must be small in proportion to the  
article tagged.  
6—Entrants are required to  
keep windows lighted until 10 p. m.  
Prizes for the contest will be an-  
nounced later. The judges will  
take into consideration in judging  
displays, originality, simplicity,  
color harmony and arrangement.

The festival committee today re-  
quested that as many merchants  
as possible enter the contest.

The American Legion will place  
their large windmill float—seen at  
the encampment at Grand Rapids,  
and also in Muskegon parade,  
where prizes were drawn—in the  
Tulip Festival parade. The mill  
will also be seen in the Benton  
Harbor Blossom Time parade.

### GRAND RAPIDS DUTCH WINDMILL MAN MAKES SOME SUGGESTIONS

Editor of The Herald: The sug-  
gestion of Ernest A. Ross, U. S.  
customs officer, that we build a  
Dutch village in Riverside park is  
a most interesting plan to me.  
Along this line I would like to make  
a few remarks about Dutch wind-  
mills. I have seen the plan of New  
Netherlands in Holland, Mich.,  
which shows three windmills of the  
same type. That is all wrong.  
These windmills are not the kind  
we want in Grand Rapids. In my  
display in the Dutch exhibition at  
the Kent museum annex I have  
some drawings of windmills and  
also a poster with about 25 differ-  
ent windmills. Some of these are  
more picturesque, and also cheaper  
to build.

At home I have a collection of  
over 300 Dutch landscapes, with  
windmills. Everyone may come and  
look over my collection at home  
after the closing of the museum  
exhibit.

N. CLOVER.  
Clipped from the Grand Rapids  
Herald of Wednesday. It seems  
strange that "Clover" would dis-  
pute the authenticity of Holland's  
mill that once did actual service on  
the canals of The Netherlands, and  
was taken apart and shipped  
across the ocean to Kellogg's es-  
tate at Gull lake and the Holland  
contractor, who has had experience  
with Dutch windmills, took all the  
plans, specifications and measure-  
ments necessary to make the rep-  
lica on the banks of Black river.  
What is more only the foundation  
and part of the framework of the  
mill is up, so it would be difficult  
to pass judgment as to what the  
mill will be like.

Justice M. Barense of Zeeland  
states that the contested speeding  
charges against Mrs. Sears Mc-  
Lean of Holland have been dis-  
missed because the summons was  
insufficient.

Lodge dinner in Masonic temple on  
Tuesday evening. Dinner was  
served after which a program was  
given with Attorney Arthur Van

## Bank Pay-Offs Stimulate More Real Confidence

BANKS IN THIS VICINITY  
HAVE MATERIALLY AIDED  
LOWER COSTLY  
MONEY RELEASE

It is indeed gratifying after  
more than a year of stress and  
distress to find that the "dark fi-  
nancial cloud" so far as Ottawa  
and Allegan counties are concerned  
are slowly lifting and silver linings  
have been appearing and now the  
"sun shines through."

Don't think the bankers in this  
vicinity have had an easy time of  
it. They have been going through  
a veritable hell—in putting their  
house in order during the last 18  
months. Officials and staffs were  
at a high tension all during this  
time, the more trying period be-  
ing with the readjustments in or-  
der to conform with state and  
national bank plans.

Disappointment after disap-  
pointment, check-up after check-  
up, to an extent almost unbelieve-  
able were the trials that the bank-  
ers here and everywhere else had  
to go through in order to live up  
to the exactions and pass the close-  
st scrutiny of the Federal Bank-  
ing department

**RECKLESS WALKERS**

Are you a safe walker? If you can't make an honest answer in the affirmative your life and health is literally in peril.

Last year automobile-pedestrian collisions accounted for 37 per cent of the 756,000 accidents which occurred on the streets and highways of this country. Deaths resulting from such accidents comprised 45 per cent of the total of 29,500 fatalities. In other words, pedestrians were involved in more than a third of all traffic misadventures—and the chance of fatality was greater than in other types of accidents.

Pedestrians crossing in the middle of the block proved the most hazardous—that caused 31 per cent of the fatalities. Careless walking on highways was responsible for 17 per cent. Children playing in the street came to 13 per cent. Walking out from behind parked cars into traffic accounted for 11 per cent, with the balance of 82 per cent laid to miscellaneous causes.

The careless pedestrian is a menace just as is the careless driver—but he receives less attention. Crossing against signals—playing hide-and-seek with parked cars—walking along rural roads with back to oncoming traffic—these are some of the surest means of courting death. Think over your walking habits—and correct them.

**MAYOR BOSCH STAGES "VICTORY NIGHT"**

Last Friday 150 guests, including some of the employees of the Western Machine Tool Works and many election workers and not a few from opposite camps gathered at Warm Friend Tavern to spend a few hours in the large dining room of the Tavern. It might be

Mayor Bosch, who staged the "victory night," although the mayor just wanted to gather with his victory friends, tendering them coffee, sandwiches and sweet meats as refreshments.

"Cubby" Drew was master of ceremonies and introduced the mayor, who stated that this was "no speaking entertainment" and he only wished to say that he was glad so many of his friends responded to the invitation, stating that the gathering was made up not alone of the men he was associated in his enterprise and his election organization, but not a few who opposed him at election.

In closing he said: "I feel that you are all my friends. What I ask now is the kind co-operation of all citizens. I need your encouragement and your advice. I feel that I can call upon you at any time, for after all Holland and its well being cannot help but be our mutual thought at any time."

William C. Shumaker was master of the program. "Bill" can put a program on all his own. He can go from "coon" to Scotch in one breath and is a "lightning change" artist when it comes to makeup.

Mayor Bosch was assisted in the entertaining by his sons, Manitou and Randall Bosch, and son-in-law Ed Yodanis.

The program as given follows: Community singing. Slim and Jim, cowboy singers who have been frequently heard on station WASH, Grand Rapids, Earl Van Dorn and James Barkel, songs and guitar selections, made up of three numbers.

Kootstra Bros. & Piersma gave song and violin and guitar selections. Roy Heath, readings; Cook quartet gave many fine selections.

Ned Shaw, local violinist, played three fine numbers and his offerings were well received.

Duet, by Evelyn Harmonson and Irene DeBoer.

The hit of the evening, Bill Padgett, colored songs and impersonations.

Charles Hanson, guitar and songs selections.

German band, ten pieces, under the able direction of Herr Woltman, climaxing the affair. Afterwards the refreshments were served.

**LEGION BOWLERS DEFEAT HOLLAND**

(Zeeland Record)

The local American Legion bowling five downed the Holland quintet on the local alleys last Thursday evening in a mediocre contest marked chiefly by the excellent rolling of "Sheriff" Ryecenza for the locals. The teams will stage a return match in Holland this evening, with a 128-pin margin to back them up.

**That Heavy Bond Issue Goes To Vote Next Mond'y**

Ate Dykstra, Well-Known in Holland, Believes That Appropriation Should Be Smaller

According to state exchanges received at the Holland City News desk it would appear that a great deal of opposition has developed to the \$38,000,000 bond issue that is to be voted on next Monday by taxpayers only. Who are eligible to vote was plainly told in numbered paragraphs in last week's issue.

The trend of thought in public pulse and through editorial comments and news stories, appears evident that the newspaper fraternity of Michigan is not entirely in accord with the bond issue.

Scores of newspapers make little comment any further than to say that it is a tremendous burden for the taxpayer to assume at this time for the taxpayer alone must carry the load with accrued interest covering a period of years. They cautiously tell their readers to study the problem thoroughly before they vote "yes" or "no."

Everywhere there seems to be a lack of enthusiasm on the entire subject.

The Zeeland Record in two lengthy editorials decries the heavy pyramiding of bonded debt, both in the nation and the state of Michigan.

The following is taken from the Grand Rapids Press: "The proposed \$38,000,000 emergency employment bond issue vote to be held April 30 is only a 'straw' or advisory vote, according to Representative Ate Dykstra, who expresses belief that despite the outcome of the election the bonds cannot legally be sold. Mr. Dykstra said Tuesday the state constitution makes no provision whatsoever for a vote of the people to authorize any bond issue in excess of \$250,000 for any specific purpose. When the \$38,000,000 highway bond issue was authorized in 1919, according to Dykstra, this was accomplished by a constitutional amendment, as was the soldier bonus bonds a decade ago. This is the only manner in which additional bonds can be legalized, he added."

In the Grand Rapids Herald,

**State Representative Ate Dykstra**

says in part as follows: "At a recent meeting Representative Dykstra told how the \$10,000,000 he suggests could be provided without the issuance of bonds, the payment of heavy interest charges and with little trouble to all concerned. He pointed out that the law creating the state sales tax provides for its administrator setting apart \$12,000,000 annually for relief purposes and that the Kulp amendment to the Horton act provides for the diversion of automobile money to the amount of \$3,000,000 annually for highway relief work. Of this \$15,000,000 he would have the state take \$7,000,000, together with a federal grant of \$3,000,000 to finance the \$10,000,000 state building program which he proposes."

In a special dispatch, purported to come from Lansing, real estate men are inclined to be lukewarm on the bonding proposal at this time. The dispatch says as follows:

"The Michigan Real Estate Dealers' association is making a study of the \$37,874,000 public works bond issue to be voted on April 30 to determine whether there is any likelihood of its becoming an obligation upon real property."

"While no definite action has been taken, Dr. Louis H. Webber, executive secretary, said he had sensed a feeling of opposition to the bond issue among many realtors in the state."

So there you have the opinion of a few pretty good authorities on this question.

Ate Dykstra, who is well known in Holland, has been in the Michigan legislature for nearly a quarter of a century. He is there to deliberate on the bond issue. It would seem that his judgment is worth taking into consideration, if he has the facts right.

Anyway enough has been said through the local and state papers the past month, so the tax-paying voters can vote intelligently on this question.

The cause must be taken in consideration, whether a better and less expensive method can be followed to gain the same ends. The taxpayer must always remember that "pay day" of principal and interest from year to year must be borne by them.

But whatever you do, do your duty next Monday and come out and vote. Do not let this election go by default. It is your duty to express your opinion one way or another.

We still hear high praise for the party we threw for the ladies on April 18. We admit it did pretty well, and you can put down in your memory book that the committee worked. The greater part of the kitchen gang left the hall about 12:30 and John Althuis was still going strong when we left. If you want fidelity in work on any kind of a committee ask an Althuis.

We hoped that by this time we could expect a call to trim the legion trees on the various high ways leading into the city. It was warm up soon and the trees will need some attention. Just wonder who will volunteer the hot lunch after the job is done. We haven't forgotten Heinie Geerd's supper last year.

LOAD RESTRICTIONS IN OTTAWA COUNTY ARE OFF

All road restrictions are off in this county and the portable weighing outfits employed by checkers have been taken off the highways, as trucks are permitted to carry the usual load. The restrictions are put on each year during the spring breakup as due to the frost in the ground the pavements are in danger of being broken by too heavy loads.

ROADS THROUGHOUT THE COUNTY are reported to be in fairly good condition as the frost, except in some instances, has about disappeared.

Frost conditions this winter were bad, due to the heavy winter season. The frost is reported to have gone down from 18 inches to two or more feet.

HOLLAND TALENT FEATURES AT ZEELAND CLUB MEET

(Zeeland Record)

The last regular meeting of the Zeeland Literary club for this year was held on Tuesday afternoon, April 24. An unusual "Festival of Spring" program was presented by the music committee headed by Mrs. H. Den Herder.

Miss Jean Herman of Holland excellently rendered two vocal solos. Miss Herman is well known in this city as gifted with special talent as a musician. She is a former director of Second Reformed church choir. Garry De Haan of Holland pleased the audience with two piano solos played in an impressive style.

Miss Ethelyn Metz, a well known elocution teacher in Holland, received much applause as she presented a series of interesting readings. The first selection related experiences of a mammy in Alabama, and was especially entertaining. "International Courtship," "The Audience" and "Mrs. Harperspyker and four Children at the Beach" were other very entertaining presentations. The concluding number was an original depiction of the "Glories of California" which Miss Metz dedicated to Padro, an Italian lad, who expressed great admiration for California.

The business session was in charge of Mrs. John R. Dethmers. Committee appointments for the ensuing year were read. Mrs. P. Brill, social committee chairman, made announcement of a mother-daughter banquet, the culminating event of club activities for the year. This will be given on May 11.

From the above notes you will notice that our sister unity has something doing all the time, but look what, fellows—

A big surprise is promised for our next meeting, May 9, a newspaper is no place to tell you what it is, but if you don't show up you are the one that will be sorry. This is going to be altogether different, never has been done before. Wear your cap and let's all find out what it's all about.

Andy Ver Hoef from Kentucky was a visitor at our last meeting. They sure do come a long way to see what we do.

## Wm. G. Heasley, Popular Doctor at Zeeland, Dies

DENTIST SERVED AS VOLUNTEER FIREMAN AND BECAME CHIEF; WAS ENTHUSIASTIC SPORTSMAN

Dr. William G. Heasley, first practicing dentist in this community and chief of the Zeeland fire department 16 years, died at his home there after a lingering illness caused by an automobile accident there some time ago. He was 66 years old.

Born in Salem township, Allegan County, he worked his way through high school and attended a normal. Expecting to follow the teaching profession, he spent two years as an instructor at Borculo. But he decided to become a dentist and with his family went to Detroit, where he worked his way through the college of medicine.

He moved to Zeeland in 1896 and opened the first dental office in the city. He continued his practice for 36 years. His hobby was fire fighting and he aided in the development of the local department from its man power and later horse-

drawn days to the time it became motorized. He early became a member of the volunteers and was with the department 34 years. He served as its secretary two years and was chief from 1912 to 1928, when ill health forced him to retire from his duties. He was the only fire chief of a small city to be elected president of the Michigan State Firemen's Association, having been named to that office in 1928.

Dr. Heasley also was an outdoors enthusiast, an expert small game hunter and angler. He delighted in raising fancy chickens and his birds won honors in various poultry shows.

Surviving are his widow; a daughter, Mrs. Thomas A. Cain of Zeeland; two sons, Roy M. and Lloyd A. of Holland; a brother, Louis Heasley of Burnips, and a sister, Mrs. Mary Paterson of Allegan.

The funeral of Dr. Heasley was held at 2 o'clock from the home, 216 East Main St., Zeeland, Rev. Richard J. Vanden Berg, pastor of the Second Reformed church, officiating.

Zeeland firemen attended the funeral in a body and bearers have been chosen from among the oldest in the service including: Jacob Meeboer, Isaac VanDyke, George VanderWeide, Martin C. Verhage, Martin Korstanje and Gerrit Van Dyke.

It was an impressive service and attended by a large part of Zeeland's population. The floral tributes were many and beautiful. Interment took place in Burnips cemetery, the location where many of the Heasleys were born and reared. Zeeland has lost a real public spirited citizen.

"ONLY DEMOCRATS NEED APPLY" (Allegan Gazette)

Postmaster Cook was appointed chairman of NRA for Allegan county but did not act because of a post office rule that a postmaster must not be active in politics and hold other government position. It is found, however, that the post office department expects its employees to help in such activities as the NRA. So Mr. Cook can get busy. The position is not regarded as a political one, but only Democrats need apply.

EAST SAUGATUCK

Mrs. Gerrit Dieters, 47, died early this Thursday morning at her home in East Saugatuck following only an illness of a few hours. Mrs. Dieters was born in Laketown in 1886 and was married in 1906, after which the couple moved to the farm in East Saugatuck.

Surviving are three children, George, Rosella and Thelma at home; a brother, Henry Brinks of Grand Rapids; three sisters, Mrs. Henrietta Morganstern and Mrs. Arend Hoff of Holland; and two brothers-in-law, Steve Heereman of Grand Rapids and Albert Bonzelaar of Holland, and a stepmother, Mrs. Taal Brinks of Laketown.

The body will lie in state at Ten Brink's funeral home until Saturday morning when it will be taken to the home. Funeral services are to be conducted Monday afternoon at 1:30 o'clock at the home and at 2 o'clock at East Saugatuck Christian Reformed church. Rev. Sidney Miersma will officiate. Burial will be in East Saugatuck cemetery.

THE SUNDAY SCHOOL  
WORKERS BANQUET

(Grand Haven Tribune)

"Why We Go to Sunday School" was the subject of an address by Rev. John R. Mulder, D.D., of Western Theological Seminary at Holland, given before nearly 300 persons at a Sunday school workers banquet Wednesday evening at the First Reformed church parlors. The banquet was sponsored by the officers of District number one of the Ottawa County Sunday School Association.

Workers from Grand Haven, Spring Lake and other towns in this part of the county gathered to revive the annual banquet custom. The practice of holding the annual banquet was suspended five years ago and the hope was expressed last night that the affair will be held each year.

John W. Verhoeks, veteran Sunday school worker here, is president of the district organization and K. T. Vanden Bosch is secretary-treasurer. The late John J. Bolt was vice-president at the time of his death and his last activity in connection with Sunday school work was to prepare for the banquet last night. It was decided last night to publish a eulogy in honor of Mr. Bolt and send a copy to his family.

Dr. Mulder, the principal speaker of the evening, stressed the power of example set by older folks over younger people and that the Sunday school has unified the entire family as there are now classes for all ages. He said that there are three main reasons for sending children to Sunday school, namely, to give youth courage, to teach them to reason for themselves and to embody in them love for their God.

## Schuiling Toastmaster

George Schuiling of Holland, president of the county association, was toastmaster and Mr. Verhoeks gave the president's welcome. Rev. Leonard Greenway of the Second Reformed church led in devotionals. Mrs. Gerrit Boiten of the Second Reformed church sang a solo and a male quartet from the Second Christian Reformed Sunday school gave a selection, followed by greeting from Spring Lake Christian Reformed school by Supt. John H. VanderSwag.

Harold VanderKolk of the Spring Lake Presbyterian school spoke and Mrs. Edward Hamm and Miss Dorothy Smith of the local Methodist school, accompanied by Miss Betty Hawkins, sang a duet. Mrs. H. J. Verhoeks accompanied a mixed quartet from the First Reformed church made up of Mrs. John Joldersma, Mrs. E. C. Roberts, John Stap and Dick Boon. Rev. CHECK YOUR LICENSE AS  
IT MAY BE OUTDATED

The expiration of drivers' licenses issued in 1931 is called to the attention of local drivers as there are but a few days before the old licenses expire. The law requiring re-registration went into effect on May 1, 1931.

Police are urging the importance of prompt renewal of these licenses. Anyone apprehended without a valid license comes under the provisions of the Michigan Financial Responsibility Act, which requires the surrender of license plates until evidence of the motorist's ability to respond to damages has been filed with the secretary of state.

It is only recently that the police were aware that failure to have a driver's license placed one under the provision of the Michigan responsibility act.

TO SMOKE AT FUNERAL;  
COFFIN OF CIGAR  
BOXES

A dispatch from St. Louis states as follows: Making a hobby of last wills and testaments, District Judge Fred J. Hoffmeister has uncovered some strange documents. He prefers the one left by Meinheer Van Kolo of Holland.

Van Kolo, an inveterate smoker, directed that his casket be lined with old cigar boxes, that his favorite meerschaum pipe be inclosed and that friends attending the funeral be supplied with two pipes and a package of tobacco.

The friends were further instructed to smoke steadily throughout the services. This they did, with the result, the story goes, that smoke became so dense it was necessary to blow a horn at the door of the house so the mourners could find their way outside.

Camp Fire Girls  
Play at Hamilton

(Saugatuck Commercial)

The Sebawa Camp Fire Girls scored another triumph Tuesday evening when they presented their program and play, "How Beth Won the Camp Fire Honor," to a large and appreciative audience at the Hamilton community hall.

The stage was so beautifully and artistically decorated that it was a real pleasure to take part on it, and the cast showed their appreciation in the splendid way each took her part. The musicians were greatly enjoyed as was manifest by the encores they received and the small Dutch children again gave proof to the fact that children are always welcome on a program.

The great treat of the evening for the girls and their assistants was still before them at the close of the entertainment, as Mr. and Mrs. Geo. Voght had invited all the Saugatuck performers and car drivers to stop at their home for refreshments, their daughter Anita being a Camp Fire member.

It would indeed have been a delightful experience just to have had the privilege of entering the beautiful home of Mr. and Mrs. Voght and meeting this delightful host and hostess. Add to this pleasure, delicious hot chocolate, jelly roll cake smothered in whipped cream, home made doughnuts and brown bread sandwiches, well we can imagine that no one regretted having taken that trip to Hamilton, nor will they soon forget this hospitable home and its members. The girls wish to express thanks to everyone who in any way helped to make possible this delightful program.

A miscellaneous program, including musical selections, a play, etc., will be presented in Lincoln school gymnasium on Friday evening of this week, beginning at 7:30 p. m. The committee of which Neil DeWaard is chairman, expects to use the proceeds for a picnic which is being planned for the school children to take place some time in June.

BEING PUT IN SHAPE

Herman Coster, custodian at the court house, with the aid of some of the trustees at the county jail, has been at work on the courthouse grounds for several days getting the shrubbery beds in shape and cleaning up the accumulations of a long, hard winter.

Many of the beds will later be set with flowers and conform to the landscape plans of the boulevard and central park, which is presided over by Tom Kieft. The crocuses in the boulevard are in full bloom, the forerunner of the beautiful displays of tulips and other spring flowers which will blossom next month.

## TOMORROW

Tomorrow may bring a new day and a new deal for the farmer.

For more than a decade his lot has been hard. His income dropped from 16 billions in 1919 to 11 billions in 1929—and 5½ billions in 1932.

Farm population, which reached its peak of 32 million in 1910 and fell to 30 million in 1930, is now back at the 1910 peak. With two million more people on the farms, with a rise in farm prices, this "Back to the Farm" movement is making tens of thousands of former city dwellers self-supporting.

There is bound to be a decided increase in farm land values.

## SUNDAY DINNER SUGGESTIONS

By A. N. PAGE  
DELICIOUS as is canned pineapple, most of us welcome the fresh pineapple when it arrives for its brief spring season. For best flavor it should be very ripe. The other spring fruits, rhubarb and strawberries, combine flavors with it and with each other make a delicious treat. Bananas, too, are good mixers.  
The spring picnic season has arrived and it calls for shelves well-stocked with canned and packaged foods and a refrigerator never empty of butter, eggs, salad materials and dressings.  
The selection of available vegetables at low or medium cost is large - from spinach, beets and carrots through the cabbage family to string beans, peas, asparagus and artichokes. Variety is the thing - so enjoy them all.  
Here are three menus for your Sunday dinner:

**Low Cost Dinner**  
Baked Breast of Veal  
Mashed Potatoes  
Bread and Butter  
Apple Pie  
Tea or Coffee

**Medium Cost Dinner**

# THINK THERE'S NO DIFFERENCE IN GASOLINES?

HOW THE TESTS WERE MADE—One at a time, the gasolines competed to see which could pull a car and heavy load farthest up a mountain grade. Car was kept in high gear. Picture shows Petersburg Mt. (near Williamstown, Mass.) test. Results of all tests certified by notary public.

NEW KIND OF GAS TANK—Gas being tested was placed in jar, which fed directly to carburetor. This made possible quick changes of gasoline for each test run.

OFF TO CHIMNEY ROCK—Jack Weaver's 1933 Oldsmobile, with 2-1000 lb. mules in tow, testing 9 gasolines on the celebrated Chimney Rock, N. C., hill. Gulf wins!

DRIVE IN AND TRY A TANKFUL!

Study this chart carefully. Each brand of gasoline is denoted by a letter, A to Z. It proves conclusively that Good Gulf Gasoline is uniformly better than other fuels of its price.

## There's more power in THAT GOOD GULF GASOLINE

What's the real truth about gasolines? Is any one really uniformly better than the others? You'll find the frank, unvarnished answer to these questions in the amazing story of tests on famous American hills with 33 gasolines...

Beginning last fall, Gulf started a series of tests which lay to rest forever the theory that "there's no difference in gasolines!"

We journeyed to famous American hills—from Massachusetts to South Carolina. On 12 mountain grades, we tested 33 gasolines—including every well-known brand sold within the area visited.

The object of each test was to find out how far each gasoline would propel a car and heavy load up the grade before the motor stalled—and so prove, once and for all, that there is a big difference in the power of various gasolines.

NOW READ THE STARTLING RESULTS...

GOATS TAKE A RIDE—Charles C. Smith, Chattanooga, Chevrolet owner, tows 16 goats up a terrific grade. Gulf finished first, out of 13 gasolines!

MAKING IT TOUGH for the gasolines—The Ford test car backs up to the Farmer's Cooperative Ass'n. siding and takes on a load of wood for the Mt. Pisgah, N. C. Test—in which Gulf beat 8 other Gasolines.

## GULF wins more hill tests than 32 other gasolines combined!
